Mirrmont Country Club Pool Upgrade—April 2010

If you have been to the clubhouse or the park lately, you would have seen the main drain upgrades and pool resurfacing are underway. KrisCo Aquatech Pool and Spas have used the recent good weather to their advantage. **Thank you for keeping your children out of the work area, and keeping the area safe.**

Now that the pool is drained, KrisCo is working on chipping out loose plaster from the area on the bottom of the pool around the main drain and elsewhere on both the main and wading pools. Piping will be modified to allow two drains on the bottom of each pool in order to be in compliance with the Virginia Graeme Baker Pool and Spa Safety Act. The bottom of the pools will then be refilled with concrete. After this part passes King County inspection, work will begin on replastering the pool. Once the pool is properly surface-prepped, KrisCo will apply a primer coat followed by the plaster. The bonding coat and plaster require nice weather. Once the plaster is in, the pool is filled and there is a two week waiting period while it cures before we can turn on the heat and allow people in the pool.

The web site will contain occasional updates on how the work is going. We are expecting the pool to open on time, Memorial Day weekend. Thank you for your patience.

Mirrmont Country Club

Annual “Get Ready for Summer” Clean-Up Party!
Saturday, April 24th from 10am-4pm

Contact Kelly Allen for job assignments at
(425) 369-8443 or kallen@acs-allen.com

Why?

- Only 6 hours of effort per family per year allows you to waive the \$100 maintenance fee. Start banking your hours now! Be first to choose your days for Pool Closing Duty! The sign-up sheet will be available.
- It is MUCH more beneficial for your club to have willing and able volunteer families give their time rather than contract out services. It helps keep our dues low.
- Let's show how much we care for our pool and club house and give it some TLC!
- We can find something for everyone to do!
- Get to know the people you'll be spending the summer with better!
- **Looking for someone to blow off the clubhouse roof and gutters and, possibly do some pressure washing before the clean up. Please contact Kelly if interested!**

Please bring gardening gloves, shovels, pressure washers, etc.

*So, come help out to
make YOUR CLUB be its best!*
