SPRING 2011

IMPORTANT UPCOMING POOL DATES

The salt and Chlormatic process is beginning later this week. Chemistry should be checked every other day and the Pool Trustees will vacuum as needed beginning the 7th.

The heater will be turned on the weekend of May 14-15. We will 'soft open' the pool on Saturday May 21st, weather permitting *(above 65 degrees). Sat-Sun pool hours will be noon-9:00 pm.

After May 21st, any member is allowed to rent the pool. They will not have exclusive use, and will need to hire their certified lifeguard. A list of certified lifeguards can be requested from the Assistant Pool Trustee or the Rental Trustee.

Monday May 23rd through Friday the 27th, the pool will be open daily 4-8:00 pm, weather permitting (above 65 degrees). There will be no lifeguard on duty. The cover should be removed by 4, and we will be performing nightly closings at 8:00 pm.

We will officially open Sat., May 28th. Hours are 9:00 am - 9:00 pm on the weekends. Weekday hours will be noon-9:00 pm. The members' potluck should be **Sunday, June 5th, rain or shine**. The hours will extend and lifeguards will start when school gets out, around June 17th.

THANK YOU FOR ATTENDING OUR SPRING CLEAN UP!

What a great day! Mother Nature decided to give us one heck of a break this weekend! We just wanted to thank everyone that came up to the clubhouse both Friday and Sunday to help with the Spring Clean Up. We got quite a few things accomplished. So many great families stepped up to make the place shine. Our hats off to all of you. We do have a special thank you to Kyra Stewart, our Vice President, who stepped in Friday afternoon to run the show. That really helped us out....
THANK YOU KYRA!

A few big things left on the list to try and accomplish this month:

- The gutters on the club house need to be cleaned out (not the whole roof just the gutters.)

The sign up for the "Pool Closings" is hanging on the indoor bulletin board as you go out to the pool from the great room. There are a few folks signed up but we need many more volunteers. Remember, one round of closings (3 nights) counts as three hours towards your six hours of required maintenance. Two rounds of closings and you are done!

Volunteer trustee Shannon Leonard will be starting a spread sheet for hours completed by those that participated this weekend. Many of the families that came already earned all six of their hours. Most of you came to chat with me about this before you left but if you aren't sure just shoot me an email. Shannon will continue to keep track of all hours volunteered so please make sure to communicate those by emailing her at shanceleonard@gmail.com.

It was great fun but we are glad we are most of the way done. Thank you all again!

All our best,
MCC Board
